EDUCATION

B.Tech—Computer Science and Engineering (Generative AI)
Koneru Lakshmaiah Education Foundation
CGPA: 9.67/10

Vaddeswaram, Guntur, Andhra Pradesh, India
2024 – Present

Intermediate – MPC
Sri Chaitanya Junior Kalasala
Percentage: 97%

Hyderabad, Telangana, India
2022 – 2024

Class X – CBSE
Johnson Grammar School
Percentage: 93%

Hyderabad, Telangana, India
2022

TECHNICAL SKILLS

Programming Languages - Java, Python, C

Web Development - HTML, CSS, JavaScript

Core Concepts - Data Structures, Object-Oriented Programming, Problem Solving

Tools - Git (Basic), VS Code

Relevant Certifications

- Github Copilot
- IBM Machine Learning with Python (Coursera)
- Meta Front-End Developer Professional Certificate (Coursera)
- IBM Front-End Development Professional Certificate (Coursera)
- PostgreSQL for Everybody Specialization – University of Michigan (Coursera)
- Python & JavaScript Essentials – Cisco Networking Academy

PROJECTS

Nutrition Management System (Java Full Stack Application)

- Built a Java-based web application that recommends personalized balanced diet plans based on user nutritional inputs.
- Implemented backend logic in Java to process dietary inputs and generate nutrition recommendations.
- Developed responsive frontend components using HTML, CSS, and JavaScript.

Cultural Heritage Website (Python Full Stack Project)

- Developed a full-stack web platform to showcase cultural heritage sites and historical information.
- Implemented backend logic using Python to manage and serve heritage data.
- Designed responsive UI pages enabling structured navigation and content presentation.

Supply Chain Tracking System – Smart India Hackathon

- Designed a system architecture to track product movement across supply chain stages enabling real-time monitoring

Smart Footwear System – Ideathon & Smart India Hackathon

- Designed an IoT-based smart footwear system to monitor user health and activity using embedded sensors.
- Proposed system architecture for data collection and activity tracking.
- Patent filed for the Smart Footwear concept.

ACHIEVEMENTS

- CGPA 9.67 / 10 in B.Tech Computer Science
- 3rd Rank in First Year – KL University
- Winner – University Ideathon (2024)
- Participant – Smart India Hackathon
- Classical Dance Mentor & Performer – Multiple cultural competitions
